EARTO-EIRMA Event
“Preparing for Horizon 2020 Implementation”
5 December 2013

INVITATION

Dear EARTO & EIRMA Members,

Our two associations are joining efforts to organize an infoday looking at Horizon 2020, the new European Research & Innovation Programme which will publish on 11 December 2013 its first calls for proposals. The aim of this event planned on 5 December 2013 in Brussels is to provide our members with a toolbox to best understand this new programme as well as to give the occasion to both our memberships to network and discuss strategic partnering.

Hoping that you will find this event’s programme of interest,

Looking forward to meeting you in December,

Kind regards,

Muriel Attané, EARTO

Michel Judkiewicz, EIRMA
